

MILLINGTON

Since 1950, the Millington Area Chamber of Commerce has helped businesses grow and prosper. The Millington Chamber is a private, non-profit organization that represents businesses area wide supported by many volunteers from among over 278 member firms. The staff at the Millington Chamber has a great deal of experience and is strongly committed to helping our members succeed. It is not a government agency, a branch of city hall, or a state or federally supported organization. Membership in the Millington Area Chamber of Commerce is an investment in Millington. We invite you to join with our fellow business associates and help support the economic development of Millington and take advantage of the many benefits available to you through your membership.

Monthly events such as the membership meetings, networking opportunities, ribbon cuttings, seminars and workshops are just a few of the many activities Chamber members participate in. Our Chamber Ambassadors play an important role supporting the staff at many of our events along with providing ambushes that surprise business members with prizes and fun each quarter.

The Chamber's major events include the Military Appreciation Breakfast that recognizes the Naval Support Activity, Mid-South Personnel of the Year; the Annual Golf Tournament that benefits the Millington schools; the Ladies Luncheon celebrating women and the Annual Dinner Gala which is a celebration of members accomplishments for the year.
